Legislative Vulnerability Self-Assessment Survey

Instructions:
Rate each statement on a scale from 0 (never true) to 5 (always true). Add the total and divide by 10 to calculate the LVI score.

Category	Statement	Score (0–5)
1	We monitor all introduced and amended bills relevant to our policy area.	
2	We maintain an approved legislative agenda before each session begins.	
3	We can issue an official policy position within 48 hours of a legislative request.	
4	Our organization maintains active relationships with key committee members in our issue area.	
5	We belong to at least one coalition or association that supports our legislative objectives.	
6	At least 5% of our annual budget is dedicated to advocacy or government affairs.	
7	We maintain a communications plan tied to legislative milestones.	
8	Our lobbying activities comply with all state registration and reporting laws.	
9	We conduct an annual post-session debrief that measures outcomes and lessons learned.	
10	Our advocacy strategy accounts for shifts in political control or election cycles.	

Total Score: _____ ÷ 10 = **LVI Score (0–5 scale)**

To convert to 100-point scale: LVI × 20.

This assessment will help you benchmark your organization's legislative readiness across ten key areas. Once you complete the survey, you'll receive your preliminary Legislative Vulnerability Index (LVI) score. EPIC Policy Group offers complimentary consultations to help interpret your results and identify actionable next steps for the 2026 session.
